

Intellectual Property Rights

We undertake to respect the principles of intellectual property rights when designing and developing training programs, and we undertake not to use any (texts, images, illustrations, software, etc.) that belong to intellectual property of other authors without obtaining the necessary express formal and regulatory approvals for that from the owner of the intellectual property right, and I also undertake to disclose Scientific references and sources used in preparing the training content.

By agreeing to this document, I acknowledge that I alone bear all the judicial responsibilities resulting from the claims and compensations resulting from the breach thereof.
